THE MIRACLE OF MULTIPLICATION

RESIDUAL INCOME

YOU COMMIT TO 50 MRBs per MONTH = 100 BV autoship

At the 12th level, IF everyone in your organization duplicates and enrolls 2, you would have 8,190 people in your organization and you would be feeding 409,500 people monthly. Even if you only have 50% duplication, you will still be feeding 204,750 people monthly and creating \$24,570.00/month, or \$6,412/week in passive residual revenue.

****FORMULA** for RESIDUAL REVENUE (created monthly, paid weekly) = the # of people (8,190) x 100 BV x 6% = \$49,140.00/month or \$12,285/week
