Hi \_\_\_\_\_. I'm on a mission to feed the hungry and I am partnered with an amazing company that has the perfect resources to help me. Do you know any charity-minded, people, interested in feeding the poor AND increasing their tithing resources?

Hey \_\_\_\_\_ I'm really excited to be working with a team of people who are helping to provide meals for the hungry and at the same time create a stream of income that they can commit to a cause that is important to them. I'd love to talk to you about it.

Hey \_\_\_\_ I have recently been able to leverage something I'm already doing to provide meals for the hungry AND at the same time quickly create \$1500-\$5000 of residual income. I'm looking for individuals and groups who are looking for ways to increase their resources in order to help more people. Would you be open to taking a look and learning more about it?

THEM: (let them give you a time)

YOU: Perfect! I'll followup with you then and we'll discuss the video. I'm so excited to spread this information and change lives. We really can make a HUGE difference and impact hunger! I love being in the business of feeding people.
